

VILLAGE OF SALTAIRE

REGISTRATION REQUIREMENTS TO VOTE IN THE UPCOMING VILLAGE ELECTION

Only persons who are duly registered to vote at their Saltaire address may vote in the Village of Saltaire election. If you are not currently registered to vote from your Saltaire address with the Suffolk County Board of Elections, in order to vote in the Saltaire election you must register either (1) with the Suffolk County Board of Elections, or (2) with the Village of Saltaire by annual personal registration.

(1) To register in Suffolk County, contact the Suffolk County Board of Elections at (631) 852-4500, or contact the Village Office and a registration form can be mailed to you. Please note that the last day to register with Suffolk County is 10 days before the election to be assured that the registration will be in effect for the Saltaire election.

(2) The Village annual personal registration will be held 12 days before the election, and then again 10 days before the election. Contact the Village office for specific dates and times.

The Village annual personal registration is not a permanent registration. This registration is valid only for the Village election in the year in which you personally registered. Having personally registered in a prior year does not register you for the current election. Should you desire to register through the personal registration process for the current election, you must come to Saltaire and register on one of the two registration days mentioned above.

The requirements to register to vote on personal registration day are that you must be:

- (1) a United States citizen,
- (2) at least 18 years old and
- (3) a resident of New York State and the Village of Saltaire for at least 30 days prior to May 24, 2019 (the election day).

The Village of Saltaire encourages its residents to participate in the upcoming and future Village elections, but only in conformance with relevant election law. It is noted that the New York Election Law provides that any person who registers or attempts to register as an elector in more than one election district for the same election or more than once in the same election district can be found guilty of a felony. It is the responsibility of each potential voter to be assured that he or she meets all of the federal and state election law requirements for proper registration.
