1.1. Title

This Local Law shall be entitled "Modifications of 2008 to the Defense, Hold Harmless and Indemnification Law of the Village of Saltaire, Chapter 22 of the Saltaire Village Code."

1.2. Enactment.

Pursuant to Section 10 of the New York State Home Rule Law, Section 10(1)(a)(5) of the New York State Municipal Home Rule Law, Section 18 of the New York State Public Officers Law, and the New York State Village Law, the Incorporated Village of Saltaire,

County of Suffolk and State of New York, hereby enacts by this Local Law of 2008, regulations of the Village of Saltaire amending Chapter 22 of the Saltaire Village Code

1.3. Effective Date.

This Local Law shall take effect on the filing of the approved Local Law with the Secretary of State of New York, which shall be within twenty (20) days after its approval by the Board of Trustees of the Incorporated Village of Saltaire.

1.4. Purpose and Intent of Local Law.

The purpose and intent of this Local Law is to provide legal and financial protection to those individuals serving the Village of Saltaire from losses due to actions which may be brought against them in their individual capacities arising from their activities conducted in the performance of their official, volunteer or employment responsibilities that is provided for them in accordance with Section 18 of the New York State Public Officers Law. This Local Law is also intended to make clear that Chapter 22 supplements the indemnification rights under Section 18 of the Public Officers Law and other applicable state laws. Since its incorporation almost 100 years ago, the Village has flourished in large part because of the participation in Village government and other activities by its residents. Having comprehensive indemnification provisions covering Village officers and employees should provide some comfort to persons to continue to participate

and to encourage other persons to participate in the service of the Village.

There shall be amendments to Chapter 22 of the Saltaire Village Code in conformance with this Local Law.

This right of indemnification shall be conditioned upon the officer or employee seeking indemnification, within ten (10) days of

the time he or she is served with any summons, complaint, process, notice, demand or pleading, delivering the original or a copy thereof to either the Village Clerk or the Village Attorneys, and thereafter cooperating fully with the Village in the defense of such action or proceeding. dismissal of the criminal charges against him or her, or reasonable attorneys' fees incurred in connection with an appearance before a grand jury which returns no true bill against such officer or employee or where such appearance was required as a result of any act which occurred while such officer or employee was acting within the scope of his or her public duties or employment unless such appearance occurs in the normal course of the duties or employment of such officer or employee. This right of indemnification is conditioned upon the officer or employee seeking indemnification, within ten (10) days of the time he or she is arraigned or served with any indictment, subpoena or other process, delivering to either the Village Clerk or the Village Attorney a written request for indemnification together with the original or a copy thereof of the written documentation served upon or received by such officer or employee."
