

June 2020- Book Circulation

How does it work?

Contact the library to let them know what books you would like. Books will be labeled and placed on the bookshelf outside the library for a contactless pick up. Books will be placed on the bookshelves Tuesday and Saturday mornings by 11am. Please let us know books you would like at least three hours prior to pick up time. The Village of Saltaire requires masks to be worn at all times in public places. Please be respectful of others picking up books and leave 6 feet in between others when possible.

What books does the library have in stock?

Check out this link for what adult books are in stock,
<https://www.librarycat.org/lib/SaltaireLibrary>.

- *Choose Advanced Search to narrow down genres you are interested in.
- *For children books, you can ask about specific titles or let Ms. Kate know what you are interested in and she can make recommendations.

Library Contact Information

Download the **TalkingPoints for Parents** app and type in the code that applies to you.

*Children Book Circulation- H6EBY4
