IMPORTANT: PLEASE READ REVERSE SIDE CAREFULLY AND SIGN

IMPORTANT: PLEASE READ CAREFULLY AND SIGN. THIS IS THE LIMIT OF OUR OBLIGATIONS.

All parking at Fire Island Terminal is for patrons of Fire Island Ferries, Inc., exclusively. A season parking license sticker will guarantee you access to the parking field not a specific parking spot. Valet parking may be necessary (you may be required to leave your keys with the attendant to park your vehicle).

All vehicles must be parked where directed by our parking attendant. Parking locations are allocated at the discretion of Fire Island Terminal, Inc. and our parking attendants.

Season parking licenses are not transferable and apply only to the vehicle described above. The sticker must be permanently attached to this vehicle and no other.

A replacement sticker will be issued for a new vehicle registered in the name of the original holder only upon return of the old sticker, and payment of a \$ 5.00 fee. If you sell your car, be sure to remove it.

Violations of any of the above conditions will result in a revocation of season parking license privileges without any liability on the part of Fire Island Terminal, Inc.

Vehicles without season parking license stickers will be charged for at the full rates in effect and no refunds will be made.

The ticket collectors do not check or verify ownership against the season parking sticker upon departure from the lot.

Gates will be locked fifteen minutes after the arrival of the last scheduled ferry Monday through Friday in May and September and every day October through April.

This license permits the holder to park the above vehicle in this area at holders' risk.

The issuer does not and shall not be required to provide and maintain security personnel or watchmen on or about the area.

This parking lot is open and accessible to the public and access is not limited to operator and licensees.

The license holder hereby releases and discharges the issuer from any and all responsibility or liability by reason of any loss which occurs from theft or damage in the parking area to the automobile or any property left in the automobile.

Risk of loss is assumed by the holder.

I have read the above and agree to the conditions.
