NEW TO THE WAGON SALE AND NEED MORE DETAILS?

Make your stuff at home with your parents (parental supervision is ok, but it's a kid project). To be included in the awards your goods must be handmade, and not entirely from a kit. Load your wares onto a wagon - nice presentation impresses the judges! Bring your wagon to Broadway near the gazebo after 8:30. Judges will begin circulating at 9. Set aside a small portion of food (just a few bites) for each of the 3 judges. If you want your crafts to be judged then don't let a buyer take them from your wagon before the judges arrive. Remember to take pictures of your wagon and crafts at set up so we can see it at it's finest!
