#### COVID UPDATE

Mayor Zaccaro provided the current statistics of the pandemic in New York State and Suffolk County, which continue to show steady improvement with the local metrics in Suffolk County resulting in a general relaxation of gathering limits and mask-wearing across the County. He stated that the approved Village guidelines still required mask-wearing in all public facilities. After discussion, and all having a chance to be heard, Trustee Chefetz made a motion that the Village COVID policies be amended to allow vaccinated individuals to enter public buildings in Saltaire without masks, and for unvaccinated people to follow all current State and CDC guidelines regarding the requirement to wear a mask and social distance.

The motion was seconded by Trustee Oppenheimer and the motion was carried according to the following vote:

Motion: Trustee Chefetz

Seconded: Trustee Oppenheimer

In Favor: Trustee Wolf, Trustee O'Brien, Trustee Oppenheimer, Trustee Chefetz

#### DISCUSSION OF RECENT FIRE IN SALTARE

Mayor Zaccaro thanked the members of the Saltaire Volunteer Fire Company (SVFC) for their rapid and efficient response to the structure fire of June 25, 2021 on Inlet Walk, which thankfully prevented the fire from becoming a much larger conflagration and resulted in no injuries to residents or responders. Chief Josh Raeben then discussed some of the particulars of the fire and the SVFC response, which included response of 19 members of the SVFC who were part of 90 firefighters total from 7 departments. Chief Raeben also outlined some of the challenges that had had to be overcome to prevent further spread of the fire in the area. Mayor Zaccaro stated that the Village will work with the SVFC to identify challenges and opportunities to mitigate the risk of fire as well as to facilitate the response of the SVFC to fire and other emergencies.

#### REASSESSMENT DISCUSSION

Mayor Zaccaro continued the discussion from the previous meeting about the possibility of undertaking a Village-wide reassessment, which was last undertaken in 1974. After discussion and all having a chance to be heard, Mayor Zaccaro tasked Trustee Chefetz with leading the analysis of the pros and cons of a Village-wide reassessment and coming back to the Board with a report of his findings; and Mayor Zaccaro tasked Trustee Wolf with leading the analysis of the pros and cons of a Village transfer tax and coming back to the Board with a report of his findings.

#### CAPITAL PROJECT UPDATE

Mayor Zaccaro reported on the status of the following capital projects:

- Ball Field Shade Project: The steel shade structure over the bleachers has been erected and the wooden shade slats will be installed to complete the project over the course of the next few weeks.
- Playground: The SCA has indicated a willingness to fund a portion of new playground equipment to replace the current 30-plus year-old equipment that now exists. Mayor Zaccaro stated that the Village in conjunction with the SCA will develop specifications and a budget for the project with the goal of having it completed for the summer of 2022.
- FIMP: Mayor Zaccaro reported that the five Towns in Suffolk County are all progressing to signing the necessary Project Partnership Agreements (PPA) to become the local sponsors of the FIMP project. He stated that the Town of Islip is prepared to participate as a local sponsor as well, contingent upon the impacted Villages within its jurisdiction all entering into an Inter-Municipal Agreement (IMA) with the Town to be responsible for all ongoing monitoring costs of the project. Mayor Zaccaro stated that the projects themselves will be 100% federally funded. He stated that the Board will consider the execution of the IMA with the Town of Islip later in the meeting.

#### CONSIDERATION OF THE STATUS OF 14 BAY PROM

Mayor Zaccaro stated that progress of building improvements on 14 Bay Prom has stalled, and that the Board must move toward a direction on 14 Bay Promenade, options for which include either proceeding with the already-bid design, or developing the design conceptually developed by Trustee Oppenheimer (now known as Plan B), or to renovate the existing building in its general location and footprint. After discussion and all having a chance to be heard, Trustee Oppenheimer made a motion to authorize the expenditure of up to \$5,000 to hire a third-party consultant to develop a code-compliant floor plan and exterior rendering of Plan B.

The motion was seconded by Trustee O'Brien and the motion was not carried according to the following vote:

Motion: Trustee Oppenheimer

Seconded: Trustee O'Brien

In Favor: Trustee O'Brien, Trustee Oppenheimer

Abstain: Trustee Wolf

Against: Mayor Zaccaro, Trustee Chefetz

After further discussion. Trustee Wolf made a motion to authorize the expenditure of up to \$5,000 to hire a third-party consultant to develop a renovation plan for the existing structure that makes the building fully compliant with the American with Disabilities Act.

Before that motion was voted on, Trustee O'Brien made a motion to amend Trustee Wolf's motion to authorize the Village Administrator to expend up to \$7,500 to hire third-party consultants as necessary to develop a renovation plan for the existing structure that makes the building fully compliant with the American with Disabilities Act, and to separately and concurrently develop a code-compliant floor plan and exterior rendering of Plan B.

The motion was seconded by Trustee Oppenheimer. After discussion, Trustee O'Brien made a motion to table Trustee Wolf's motion and for the Board to reconsider it after the other options are more fully developed. The motion to table the original motion was seconded by Trustee Oppenheimer, and carried by the following vote:

Motion: Trustee O'Brien  
Seconded: Trustee Oppenheimer  
In Favor: Trustee O'Brien, Trustee Oppenheimer, Trustee Wolf, Trustee Chefetz  
Abstain: None  
Against: Mayor Zaccaro

#### DISCUSSION OF REGULATION OF ELECTRIC BIKES

Mayor Zaccaro stated that many residents have expressed concern about the proliferation of electric bikes within the Village and the safety risks that they present. Discussion ensued about what is required for the Village to adopt legislation to effectively regulate the use of electric bikes within the Village, as well as other enforcement practices that could be employed. The Village Attorney outlined some of the prerequisites that must first be resolved in order to consider adopting a local law regulating electric bikes, which would preclude a local law from being adopted before the end of the season. Discussion then shifted to non-legislative measures to address speed and safe operation of all vehicles in the Village. After further discussion and all having a chance in the heard, Trustee O'Brien made a motion to authorize the Village Administrator to expend up to \$2,500 to purchase a speed notification sign to be installed at an optimum location along Lighthouse Promenade as directed by Chief Rittenhouse.

The motion to table was seconded by Trustee Wolf, and carried by the following vote:

Motion: Trustee O'Brien  
Seconded: Trustee Wolf  
In Favor: Trustee O'Brien, Trustee Oppenheimer, Trustee Wolf, Trustee Chefetz

**INCORPORATED VILLAGE OF SALTAIRE

WHEREAS the adopted budget includes seasonal and part-time payroll allocation for each department of the Village, which is determined by the total approved payroll allocation for each department minus the full-time salaries allocated to each respective department, and lists the total seasonal and part-time payroll for each department or categories of departments, as well as the range of hourly rates of pay for the seasonal and part-time employees of those departments, and it is therefore,

RESOLVED that the Village Administrator is hereby authorized to hire all seasonal and part-time employees necessary to staff each of the departments of the Village for the 2021/21 fiscal year up to the total levels so budgeted for

each department and to compensate them within the hourly rate ranges approved for each department, and further that he has discretion to specify the hourly rate for each employee or category of employee within the approved range in order to recruit, retain and reward employees for maximum production in the best interests of the Village.

**INCORPORATED VILLAGE OF SALTAIRE  
RESOLUTION OF THE BOARD OF TRUSTEES  
ADOPTING THE VILLAGE INVESTMENT AND CASH MANAGEMENT POLICIES**

WHEREAS the Mayor and Board of Trustees of the Incorporated Village of Saltaire are required to adopt or formulate certain policies and procedures regarding the investment and deposit of Village funds, and the management of that money, and;

WHEREAS the Village of Saltaire has previously adopted an investment policy, which is reviewed annually, it is therefore,

RESOLVED, that the Village of Saltaire does hereby adopt the following investment policy:

- 1) The objectives of the investment policy of the Village of Saltaire are:
  - a) To invest only in instruments legally permissible for municipalities.
  - b) To minimize risk so as to preserve principal and maintain a stable asset value.
  - c) To manage portfolio to ensure that cash will be available as required to finance operations.
  - d) To maximize current income to the degree consistent with legality, safety and liquidity.
- 2) In accordance with this policy, the Village Treasurer is hereby authorized to invest all funds, including proceeds of obligations and reserve funds, in:
  - a) Certificates of deposit issued by a bank or trust company authorized to do business in New York State.
  - b) Time deposit accounts in a bank or trust company authorized to do business in New York State.
  - c) Obligations of New York State.
  - d) Obligations of the United States Government.
  - e) Repurchase agreements involving the purchase and sale of direct obligations of the United States.
- 3) All funds may be invested in:
  - a) Obligations of agencies of the federal government, if principal and interest is guaranteed by the United States.
- 4) No other Village of Saltaire officials have the authority to receive money in their official capacity.
- 5) All investments made pursuant to this investment policy shall comply with the following conditions:
  - a) Collateral.
    - (1) Certificates of deposit shall be fully secured by insurance of the Federal Deposit Insurance Corporation or by obligations of New York State or obligations of the United States or obligations of federal agencies, the principal and interest of which are guaranteed by the United States, or obligations of New York State local governments, or a combination of same. Collateral shall be delivered to the Village of Saltaire or a custodial bank with which the Village of Saltaire has entered into a custodial agreement. The market value of collateral shall at all times equal or exceed the principal amount of the certificate of deposit. Collateral shall be monitored no less frequently than monthly, and market value shall mean the bid or closing price as quoted in the Wall Street Journal or as quoted by another recognized pricing service.
    - (2) Securities purchased through a repurchase agreement shall be valued to market at least weekly.
    - (3) Collateral shall not be required with respect to the direct purchase of obligations of New York State, obligations of the United States and obligations of federal agencies, the principal and interest of which are guaranteed by the United States Government.
  - b) Delivery of securities.

- (1) Repurchase agreements. Every repurchase agreement shall provide for payment to the seller only upon the seller's delivery of obligations of the United States to the custodial bank designated by the Village of Saltaire or, in the case of a book-entry transaction, when the obligations of the United States are credited to the custodian's Federal Reserve Bank account. The seller shall not be entitled to substitute securities. Repurchase agreements shall be for periods of 30 days or less. The custodial bank shall confirm all transactions in writing to ensure that the Village of Saltaire's ownership of the securities is properly reflected on the records of the custodial bank.
- (2) Payment shall be made by or on behalf of the Village of Saltaire for obligations of New York State, obligations the principal and interest of which are guaranteed by the United States, United States obligations, certificates of deposit and other purchased securities upon the delivery thereof to the custodial bank or, in the case of a book-entry transaction, when the purchased securities are credited to the custodial bank's Federal Reserve System account. All transactions shall be confirmed in writing.
- (3) Written contracts. Written contracts are required for repurchase agreements, certificates of deposit and custodial undertakings. With respect to the purchase of obligations of the United States, New York State or other governmental entities, etc., in which moneys may be invested, the interests of the Village of Saltaire will be adequately protected by conditioning payment on the physical delivery of purchased securities to the Village of Saltaire or custodian or, in case of book-entry transactions, on the crediting of purchased securities to the custodian's Federal Reserve System account. All purchases will be confirmed in writing to the Village of Saltaire. It is, therefore, the policy of the Village of Saltaire to require written contracts as follows:
  - (a) Written contracts shall be required for all repurchase agreements. Only creditworthy banks and primary reporting dealers shall be qualified to enter into a repurchase agreement with the Village of Saltaire. The written contract shall provide that only obligations of the United States may be purchased, and the Village of Saltaire shall make payment upon delivery of the securities or appropriate book-entry of the purchased securities if no specific repurchase agreement has been executed between the Village of Saltaire and the trading partners. While the term of the master repurchase agreement may be for a reasonable length of time, a specific repurchase agreement shall not exceed 30 days.
  - (b) Written contracts shall be required for the purchase of all certificates of deposit over \$100,000.

6) Financial strength of institutions

- a) All trading partners must be creditworthy. Their financial statements must be reviewed at least annually by the Treasurer to determine satisfactory financial strength, or the Treasurer may use credit-rating agencies to determine creditworthiness of trading partners. Concentration of investments in financial institutions should be avoided. The general rule is not to place more than \$4,000,000 of general fund operating reserves in overnight investments with any one institution.
- b) Investments in time deposits and certificates of deposit are to be made with banks or trust companies. Their annual reports must be reviewed by the Treasurer to determine satisfactory financial strength.
- c) When purchasing eligible securities, the seller shall be required to deliver the securities to our custodial bank.
- d) Repurchase agreements shall be entered into only with banks or trust companies or

registered and primary reporting dealers in government securities. Sound credit judgments must be made with respect to trading partners in repurchase agreements. It is not assumed that inclusion on a list of the Federal Reserve is automatically adequate evidence of creditworthiness.

- e) Repurchase agreements should not be entered into with undercapitalized trading firms.
- f) A margin of 5% or higher of the market value of purchased securities in repurchase agreements must be maintained.

7) Operations, audit and reporting.

- a) The Treasurer or the deputy Treasurer shall authorize the purchase and sale of all securities and execute contracts for repurchase agreements and certificates of deposit on behalf of the Village of Saltaire. Oral directions concerning the purchase or sale of securities shall be confirmed in writing. The Village of Saltaire shall pay for purchased securities upon the delivery or book-entry thereof.
- b) The Village of Saltaire will encourage the purchase and sale of securities and certificates of deposit through a competitive or negotiated process involving telephone solicitation of at least two bids for each transaction.
- c) At the time New York State auditors conduct an audit of the accounts and financial affairs of the Village of Saltaire, the New York State auditors shall audit the investments of the Village of Saltaire for compliance with the provisions of these investment guidelines.
- d) Within 60 days of the end of each of the first three quarters of the fiscal year, the Village Treasurer shall prepare and submit to the Board of Trustees of the Village of Saltaire a quarterly investment report which indicates new investments, the inventory of existing investments and such other matters as the Treasurer deems appropriate.
- e) Within 120 days of the end of the fiscal year, the Village Treasurer shall prepare and submit to the Board of Trustees of the Village of Saltaire an annual investment report; recommendations for change in these investment guidelines; the results of the annual New York State audit, if available; the investment income record; a list of total fees, commissions or other charges, if any, paid to the custodial bank; and such other matters as the Treasurer deems appropriate.
- f) At least annually, and, if practicable, at the annual organizational meeting of the Board of Trustees of the Village of Saltaire, the Board of Trustees shall review and amend, if necessary, these investment guidelines.

**INCORPORATED VILLAGE OF SALTIRE  
RESOLUTION OF THE BOARD OF TRUSTEES  
ADOPTING THE VILLAGE PROCUREMENT POLICY**

WHEREAS, General Municipal Law 104-b requires the governing body of every municipality to adopt a procurement policy for all goods and services which are not required by law to be publicly bid, and

WHEREAS the Village of Saltaire had previously adopted a procurement policy for the Village, which is reviewed annually, it is therefore,

RESOLVED, that the Village of Saltaire does hereby adopt the following procurement policy, which is intended to apply to all goods and services which are not required by law to be publicly bid.

**PROCUREMENT POLICY FOR THE VILLAGE OF SALTIRE**

1. Every purchase to be made must be initially reviewed to determine whether it is a purchase contract or a public works contract. Once that determination is made, a good-faith effort will be made to determine whether it is known or can reasonably be expected that the aggregate amount to be spent on the item of supply or service is not subject to competitive bidding, considering past purchases and the aggregate amount to be spent in a year. The following items are not subject to competitive bidding pursuant to General Municipal Law §103: purchase contracts under \$20,000 and public works

contracts under \$35,000; emergency purchases; certain municipal hospital purchases; goods purchased from agencies for the blind or severely handicapped; goods purchased from correctional institutions pursuant to Corrections Law 186; purchases under State and county contracts; and surplus and second-hand purchases from another governmental entity.

2. All goods and services will be secured by use of written requests for proposals, written quotations, verbal quotations (whenever practical to be followed by email or other written form of confirmation), or any other method that assures that goods will be purchased at the lowest price and that favoritism will be avoided, except in the following circumstances: purchase contracts over \$20,000 and public works contracts over \$35,000; goods purchased from agencies for the blind or severely handicapped pursuant to State Finance Law 175-b; goods purchased from correctional institutions pursuant to Correction Law 186; purchases under State contracts pursuant to General Municipal Law 104; purchases under county contracts pursuant to General Municipal Law 103(3); or purchases pursuant to subdivision 6 of this policy.

3. The following method of purchase will be used when required by this policy in order to achieve the highest savings:

Estimated Amount of Purchase Contract	Method
\$3,001 - \$7,499	2 verbal quotes
\$7,500 - \$19,999	2 written/fax quotes or written request for proposals

Estimated Amount of Public Works Contract	Method
\$3,001 - \$9,999	2 verbal quotes
\$9,999 - \$19,999	2 written/fax quotations
\$19,999 - \$34,999	3 written/fax quotes or written request for proposals

A good-faith effort shall be made to obtain the required number of proposals or quotations. If the purchaser is unable to obtain the required number of proposals or quotations, the purchaser will document the attempt made at obtaining the proposals. In no event shall the failure to obtain the proposals be a bar to the procurement.

4. Documentation is required of each action taken in connection with each procurement.

5. Documentation and an explanation is required whenever a contract is awarded to other than the lowest responsible offeror. This documentation will include an explanation of how the award will achieve savings or how the offeror was not responsible. A determination that the offeror is not responsible shall be made by the purchaser and may not be challenged under any circumstances.

6. Pursuant to General Municipal Law 104-b(2)(f), the procurement policy may contain circumstances when, or types of procurements for which, in the sole discretion of the governing body, the solicitation of alternative proposals or quotations will not be in the best interest of the municipality. In the following circumstances it may not be in the best interests of the Village of Saltaire to solicit quotations or document the basis for not accepting the lowest proposal:

a. Professional services or services requiring special or technical skill, training or expertise. The individual or company must be chosen based on accountability, reliability, responsibility, skill, education and training, judgment, integrity, and moral worth. These qualifications are not necessarily found in the individual or company that offers the lowest price and the nature of these services are such that they do not readily lend themselves to competitive procurement procedures. The Village Administrator, at his discretion, may appoint a Selection Team to assist him or her in recommending for approval by the Board of Trustees a firm to provide Professional Services to the Village, whether or not pursuant to a formalized Request for Proposals process for those Services.

In determining whether a service fits into this category the Purchaser shall take into consideration the following guidelines: (a) whether the services are subject to State licensing or testing requirements; (b) whether substantial formal education or training is a necessary prerequisite to the performance of the services; and (c) whether the services require a personal relationship between the individual and municipal officials. Professional or technical services shall include but not be limited to the following: services of an attorney; services of a physician; technical services of an engineer or architect engaged to prepare plans, maps and estimates; services of a state- licensed trade with special knowledge or training, securing insurance coverage and/or services of an insurance broker; services of a certified public accountant; investment management services; printing services involving extensive writing, editing or art work; management of municipally owned property; and computer software or programming services for customized programs, or services involved in substantial modification and customizing of pre-packaged software.

b. Emergency purchases pursuant to Section 103(4) of the General Municipal Law. Due to the nature of this exception, these goods or services must be purchased immediately since a delay in order to seek alternate proposals may threaten the life, health, safety or welfare of the residents. This section does not preclude alternate proposals if time permits.

c. Purchases of surplus and second-hand goods from any source or goods purchased at auction. If alternate proposals are specifically required by the Board resolution to purchase the product, the Village is precluded from purchasing surplus and second-hand goods at auctions or through specific advertised sources.

d. Goods or services under \$3,000. The time and documentation required to purchase through this policy may be costlier than the item itself and would therefore not be in the best interests of the taxpayer. In addition, it is not likely that such de minimis contracts would be awarded based on favoritism.

e. Service contracts entered into through the New York State Office of General Services. In these instances, the State has already investigated and secured the lowest possible price for the municipality.

7. Conflict of Interest Avoidance: No employee, officer or agent of the Village of Saltaire shall participate directly or indirectly in the selection or in the award or administration of any contract if a conflict, real or apparent, would be involved. Such conflict would arise when a financial or other interest in a firm selected or considered for award is held by:

1. An employee, officer or agent involved in making the award;
2. A relative of such employee, including father, mother, son, daughter, brother, sister, uncle, aunt, first cousin, nephew, niece, husband, wife, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, stepfather, stepmother, stepson, stepdaughter, stepsister, half-brother, or sister;
3. The partner of such employee, officer or agent; or
4. An organization which employs, is negotiating to employ, or has an arrangement concerning prospective employment of any of the above.

8. Avoidance of unnecessary or duplicative purchase: The director or supervisor of each department or agency of the Village of Saltaire responsible for procurement of services, supplies, equipment, or construction obtained with Federal, State or Local funds shall review all proposed procurement actions to avoid the purchase of unnecessary or duplicative items. Such reviews shall consider consolidation or breaking out to obtain a more economical purchase or lease-versus-purchase alternatives. When deemed appropriate by the director or supervisor, an analysis to determine which approach would be the most economical may be undertaken.

9. Protest Procedures: Any actual or prospective contractor may protest the solicitation or award of a contract based on claimed violations of the principles of this Statement. Any protest against solicitations must be received before the due date for receipt of bids or proposals, and any protest against the award of a contract must be received within ten calendar days after contract award, or the protest will not be considered. All bid protests shall be in writing and submitted to the Village Administrator, who may, after consultation with Village Counsel, at his/her discretion, suspend the procurement pending resolution of the protest, if warranted by the facts presented.

10. This policy shall go into effect upon adoption, will be reviewed annually, and will remain in effect until otherwise modified and adopted.

RESOLUTION OF THE BOARD OF TRUSTEES  
ADOPTING THE VILLAGE CONFLICT OF

RESOLVED, that the Village of Saltaire does hereby adopt the following policy as to preventing and addressing potential conflicts of interest in the receipt, administration and payment of Federal grants and awards of Federal Funds as follows:

Prohibition of conflicts of interest of employees, officers, officials and agents of the Village of Saltaire

A. Prohibition;

In addition to the prohibitions of conflicts of interest that are contained in New York State and Federal Law, no employee, officer or agent may participate in the selection, award or administration of a contract supported by a Federal award if he or she has a real or apparent conflict of interest.

B. Conflict of Interest;

A conflict of interest shall include but not necessarily be limited to an employee, officer, official or agent who may participate in the selection, award or administration of a contract supported by a Federal award where that employee, officer, official or agent has an ownership, financial or contractual interest in an entity or with a person that is the recipient or beneficiary of a contract or purchase involving Federal awards. For purposes of determining a conflict of interest, the guidelines of family relationships as set forth in New York State General Municipal Law § 800-812 shall apply, and reference to the employee, officer, official, and agent shall include the employer, family, spouse, partner or other persons in a family relationship with the employee, officer, official or agent.

C. Gratuities and Gifts Prohibited

All employees, officers, officials and agents of the Village of Saltaire, whether that person participates in the selection, award, or administration of a contract supported by a Federal awardee prohibited from soliciting or accepting gratuities, favors, or anything of monetary value from contractors or parties to contracts or subcontracts.

D. Prohibition of the Actions of the Village of Saltaire

The Village of Saltaire shall not participate in any contract or bid that is supported by a Federal award where an employee, officer, official or agent of the Village of Saltaire has a legal or financial interest in a contractor or subcontractor receiving funds or being awarded a contract that is supported by Federal Funds.

E. Disclosure

Any employee, officer, official or agent of the Village of Saltaire who has or becomes aware of a conflict of interest or the potential of a conflict of interest as defined above must immediately disclose that conflict of interest by written notice to the Village Administrator or Clerk of the Village of Saltaire.

F. Discipline and Penalty

Any employee, officer, official or agent of the Village of Saltaire who violates any provision of this Conflict of Interest policy shall be subject to termination by a majority vote of the Board of Trustees. If the employee or agent in violation of this policy has rights under the New York State Civil Service Law or any other applicable law, then the procedure for that termination shall be subject to and undertaken in accordance with those rights. An officer or official in violation of this policy, in addition to any other civil or criminal penalties shall be deemed to have committed a violation of the Code of Ethics of the Village of Saltaire and be subject to penalties thereunder and as provided in the New York State General Municipal Law and Public Officers Law.

**INCORPORATED VILLAGE OF SALTAIRE  
RESOLUTION OF THE BOARD OF TRUSTEES  
ADOPTING A POLICY AS TO THE METHOD FOR CONDUCTING  
TECHNICAL EVALUATIONS OF PROPOSALS  
RECEIVED AND SELECTING RECIPIENTS**

WHEREAS the Mayor and Board of Trustees of the Incorporated Village of Saltaire are required to adopt or formulate a policy and procedure as to the method for conducting technical evaluations of proposals received and selecting recipients regarding awards and contracts of projects involving the receipt, administration and payment of Federal grants and awards of Federal Funds; and

WHEREAS the Village of Saltaire already has a Procurement Policy that meets the requirements of New York State law, and the Federal Guidelines under 2 CFR § 200.320(d)(3) contain procedural guidelines for evaluating bids but whose financial thresholds exceed those under which the Village of Saltaire is required to comply under New York State Law; it is therefore

RESOLVED, that the Village of Saltaire hereby adopts the guidelines and policies stated in the OMB Guidance for procurement and regulations under 200.320 as outlined below as the policy and procedure as to the method for conducting technical evaluations of proposals received and selecting recipients regarding awards and contracts of projects involving the receipt, administration and payment of Federal grants and awards of Federal Funds to the Village of Saltaire as stated in order to supplement the Procurement Policy of the Village of Saltaire, and provided that the methods of procurement so adopted are not in violation of New York State law or the procurement policy of the Village of Saltaire, and that the dollar amounts under New York State law shall be followed so that compliance with the Federal guidelines does not result in a violation of New York State law as follows:

“200.320 Methods of procurement to be followed.

The Village of Saltaire must use one of the following methods of procurement.

(a) Procurement by micro-purchases. Procurement by micro-purchase is the acquisition of supplies or services, the aggregate dollar amount of which does not exceed the micro-purchase threshold (§200.67 Micro-purchase). To the extent practicable, the non-Federal entity must distribute micro-purchases equitably among qualified suppliers. Micro-purchases may be awarded without soliciting competitive quotations if the non-Federal entity considers the price to be reasonable.

(b) Procurement by small purchase procedures. Small purchase procedures are those relatively simple and informal procurement methods for securing services, supplies, or other property that do not cost more than the Simplified Acquisition Threshold. If small purchase procedures are used, price or rate quotations must be obtained from an adequate number of qualified sources.

(c) Procurement by sealed bids (formal advertising). Bids are publicly solicited, and a firm fixed price contract (lump sum or unit price) is awarded to the responsible bidder whose bid, conforming with all the material terms and conditions of the invitation for bids, is the lowest in price. The sealed bid method is the preferred method for procuring construction, if the conditions in paragraph (c)(1) of this section apply.

(1) In order for sealed bidding to be feasible, the following conditions should be present:

(i) A complete, adequate, and realistic specification or purchase description is available;

(ii) Two or more responsible bidders are willing and able to compete effectively for the business; and

(iii) The procurement lends itself to a firm fixed price contract and the selection of the successful bidder can be made principally on the basis of price.

(2) If sealed bids are used, the following requirements apply:

(i) Bids must be solicited from an adequate number of known suppliers, providing them sufficient response time prior to the date set for opening the bids; for local and tribal governments, the invitation for bids must be publicly advertised;

(ii) The invitation for bids, which will include any specifications and pertinent attachments, must define the items or services in order for the bidder to properly respond;

(iii) All bids will be opened at the time and place prescribed in the invitation for bids, and for local and tribal governments, the bids must be opened publicly;

(iv) A firm fixed-price contract award will be made in writing to the lowest responsive and responsible bidder. Where specified in bidding documents, factors such as discounts, transportation cost, and life-cycle costs must be considered in determining which bid is lowest. Payment discounts will only be used to determine the low bid when prior experience indicates that such discounts are usually utilized; and

(v) Any or all bids may be rejected if there is a sound documented reason.

(d) Procurement by competitive proposals. The technique of competitive proposals is normally conducted with more than one source submitting an offer, and either a fixed-price or cost reimbursement-type contract is awarded. It is generally used when conditions are not appropriate for the use of sealed bids. If this method is used, the following requirements apply:

(1) Requests for proposals must be publicized and identify all evaluation factors and their relative importance. Any response to publicized requests for proposals must be considered to the maximum extent practical;

(2) Proposals must be solicited from an adequate number of qualified sources;

(3) The Village of Saltaire shall have a written method for conducting technical evaluations of the proposals received and for selecting recipients;

(4) Contracts must be awarded to the responsible firm whose proposal is most advantageous to the program, with price and other factors considered; and

(5) The Non-Federal entity may use competitive proposal procedures for qualifications-based procurement of architectural/engineering (A/E) professional services whereby competitors' qualifications are evaluated, and the most qualified competitor is selected, subject to negotiation of fair and reasonable compensation. The method, where price is not used as a selection factor, can only be used in procurement of A/E professional services. It cannot be used to purchase other types of services though A/E firms that are not typically part of industry-standard A/E services.

(e) [Reserved]

(f) Procurement by noncompetitive proposals. Procurement by noncompetitive proposals is procurement through solicitation of a proposal from only one source and may be used only when one or more of the following circumstances apply:

(1) The item is available only from a single source;

(2) The public exigency or emergency for the requirement will not permit a delay resulting from competitive solicitation;

(3) The Federal awarding agency or pass-through entity expressly authorizes noncompetitive proposals in response to a written request from the non-Federal entity; or

(4) After solicitation of a number of sources, competition is determined inadequate.

**INCORPORATED VILLAGE OF SALTIRE  
SUPPLEMENTAL PROCUREMENT POLICY FOR PROJECTS INVOLVING FUNDING BY FEDERAL  
AWARDS**

WHEREAS, General Municipal Law 104-b requires the governing body of every municipality to adopt a procurement policy for all goods and services which are not required by law to be publicly bid, and

WHEREAS the Village of Saltaire had previously adopted a procurement policy for the Village, which is reviewed annually, and

WHEREAS the United States Government requires that the Village of Saltaire adopts and maintains supplemental procurement requirements that conform with 2 CFR 200.318(c) for projects involving the funding by Federal awards, it is therefore;

RESOLVED, that the Village of Saltaire does hereby adopt the following supplemental procurement requirements which are mandatory for the Village to follow in projects involving funding from a Federal award as follows;

Procedures in compliances with 2 CFR § 200.318 - General procurement standards.

(a) The Village of Saltaire shall use its own documented procurement procedures which reflect applicable State, local, and tribal laws and regulations, provided that the procurements conform to applicable Federal law and the standards identified in this part.

(b) The Village of Saltaire shall maintain oversight to ensure that contractors perform in accordance with the terms, conditions, and specifications of their contracts or purchase orders.

(c)(1) The Village of Saltaire must maintain written standards of conduct covering conflicts of interest and governing the actions of its employees engaged in the selection, award and administration of contracts. No employee, officer, or agent may participate in the selection, award, or administration of a contract supported by a Federal award if he or she has a real or apparent conflict of interest. Such a conflict of interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from a firm considered for a contract. The officers, employees, and agents of the non-Federal entity may neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts. However, non-Federal entities may set standards for situations in which the financial interest is not substantial, or the gift is an unsolicited item of nominal value. The standards of conduct must provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the non-Federal entity.

(2) If the Village of Saltaire has a parent, affiliate, or subsidiary organization that is not a state agency or local government, or Indian tribe, the Village of Saltaire must also maintain written standards of conduct covering organizational conflicts of interest. Organizational conflicts of interest mean that because of relationships with a parent company, affiliate, or subsidiary organization, the Village of Saltaire is unable or appears to be unable to be impartial in conducting a procurement action involving a related organization.

(d) The Village of Saltaire's procedures must avoid acquisition of unnecessary or duplicative items. Consideration should be given to consolidating or itemizing procurements to obtain a more economical purchase. Where appropriate, an analysis will be made of lease versus purchase alternatives, and any other appropriate analysis to determine the most economical approach.

(e) To foster greater economy and efficiency, and in accordance with efforts to promote cost-effective use of shared services across the Federal Government, the Village of Saltaire is encouraged to enter into state and local intergovernmental agreements or inter-entity agreements where appropriate for procurement or use of common or shared goods and services.

(f) The Village of Saltaire is encouraged to use Federal excess and surplus property in lieu of purchasing new equipment and property whenever such use is feasible and reduces project costs.

(g) The Village of Saltaire is encouraged to use value engineering clauses in contracts for construction projects of sufficient size to offer reasonable opportunities for cost reductions. Value engineering is a systematic and creative analysis of each contract item or task to ensure that its essential function is provided at the overall lower cost.

(h) The Village of Saltaire shall award contracts only to responsible contractors possessing the ability to perform successfully under the terms and conditions of a proposed procurement. Consideration will be given to such matters as contractor integrity, compliance with public policy, record of past performance, and financial and technical resources. See also § 200.213 Suspension and debarment.

(i) The Village of Saltaire shall maintain records sufficient to detail the history of procurement. These records will include, but are not necessarily limited to, the following: rationale for the method of procurement, selection of contract type, contractor selection or rejection, and the basis for the contract price.

(j)(1) The Village of Saltaire may use a time and materials type contract only after a determination that no other contract is suitable and if the contract includes a ceiling price that the contractor exceeds at its own risk. Time and materials type contract means a contract whose cost to a non-Federal entity is the sum of:

(i) The actual cost of materials; and

(ii) Direct labor hours charged at fixed hourly rates that reflect wages, general and administrative expenses, and profit.

(2) Since this formula generates an open-ended contract price, a time-and-materials contract provides no positive profit incentive to the contractor for cost control or labor efficiency. Therefore, each contract must set a ceiling price that

the contractor exceeds at its own risk. Further, the Village of Saltaire in awarding such a contract must assert a high degree of oversight in order to obtain reasonable assurance that the contractor is using efficient methods and effective cost controls.

(k) The Village of Saltaire alone must be responsible, in accordance with good administrative practice and sound business judgment, for the settlement of all contractual and administrative issues arising out of procurements. These issues include, but are not limited to, source evaluation, protests, disputes, and claims. These standards do not relieve the non-Federal entity of any contractual responsibilities under its contracts. The Federal awarding agency will not substitute its judgment for that of the non-Federal entity unless the matter is primarily a Federal concern. Violations of law will be referred to the local, state, or Federal authority having proper jurisdiction.

WHEREAS, the Mayor and the Board of Trustees of the Incorporated Village of Saltaire have determined that upon occasion it may be necessary that the Village pay claims or invoices of third parties prior to the next audit by the Board of Trustees of such claims or invoices, when the failure to timely pay such claims or invoices would result in cancellation or interruption of service, excessive interest charges, or other penalties to the Village or when such claims or services are rendered on an emergency basis and require immediate payment (collectively, the "Pre-Audited Payments"), it is therefore resolved;

RESOLVED, that the Village Treasurer and the Village Clerk are each hereby authorized to make Pre-Audited Payments of claims and invoices that, in the determination of the Village Treasurer, if not promptly paid prior to the next available audit by the Board of Trustees would be detrimental to the Village, or is otherwise required by previously authorized contract.

WHEREAS, the Mayor and the Board of Trustees of the Village of Saltaire hereby determines that it is necessary, in order for the Village to recruit and retain qualified employees on both a seasonal and year-round basis and to ensure their reliable access to the village at all times when their services are required, to facilitate transportation into and out of the Village of Saltaire for certain categories of employment, and

WHEREAS, the transportation process shall include ferry and water taxi transportation, vehicle access, and parking in the Village-owned Bay Shore parking lot and Robert Moses State Park parking field number 5, and

WHEREAS, the Village Administrator shall upon request of the Board present to the Board a list of the specific employees or other Village officials affected by one or more aspects of this policy together with the designated modes of transportation indicated therein, and

WHEREAS the Village of Saltaire has previously adopted a transportation policy, which is reviewed annually, it is therefore;

RESOLVED, that the Village of Saltaire does hereby adopt the following transportation policy:

## VEHICLE ACCESS

### Maintenance Department Vehicles

- A. The Board of Trustees hereby determines that it is in the best interest of the Village of Saltaire for a member of the Village Maintenance Department who shall be determined by the Board of Trustees, to be provided with the use of a Village vehicle for purposes of traveling to and from the Village during normal business hours and to fulfill the requirements of his or her job beyond normal business hours, in order that the selected employee may respond to work-related emergencies as they may arise, to provide delivery services as are determined to be necessary for the effective operation of the Village, and to provide transportation to and from the workplace to other members of the Maintenance staff as can be accommodated safely and legally in the vehicle. Such designated Maintenance employee shall not allow the use of the vehicle by any other person other than a properly licensed Village employee in the course of Village business. A report of the use of the vehicle shall be supplied as requested by the Board of Trustee or the Village Administrator. The use of the vehicle and this policy may be unilaterally terminated or modified without notice by the Board of Trustees.
- B. Employees driving Village vehicles may have occasions where an incidental stop is necessary between work-related stops. Such use shall not necessarily be considered a violation of this policy.
- C. No personal items other than incidentals shall be stored in the vehicle. The employee is required to keep the vehicle locked at all times with work-related items stored either in a lock box or trunk during times when the vehicle is not in use. Village employees shall not carry prohibited passengers, materials, or firearms in the vehicle unless required or authorized by the Village Administrator. Employees shall not allow an unauthorized person to drive a Village vehicle.
- D. Any employee who is authorized to use a Village vehicle pursuant to the conditions set forth above shall not be issued a W-2 form at the end of the calendar year for the use of the vehicle because he or she is required to be available to use the vehicle on a twenty-four-hour per day basis as part of his or her job responsibilities in order to be available to the Village.

### Public Safety Department Vehicle

The Board of Trustees further hereby determines that it is in the best interest of the Village of Saltaire that the Public Safety patrol vehicle be used, upon direction of the Village Administrator to transport into and out of the Village: Members of the Board of Trustees, or members of Village Boards or Commissions engaged in the performance of the duties of their offices where ferry service is either unavailable or impracticable for the tasks being performed; Public Safety staff for shift changes when it has been determined by the Village Administrator that such vehicle transportation is necessary for the effective operation of the department; and other department staff, or vendors, repairmen, professionals, etc., when it has been determined by the Village Administrator that such vehicle transportation is necessary for the effective operation of the Village.

### Non-Resident Employee Vehicles

The Board of Trustees hereby further determines that it is in the best interest of the Village of Saltaire to maintain a core of necessary employees who maintain residences in Saltaire or one of the surrounding communities. Therefore, all full-time employees of the Village of Saltaire, as defined in the Village of Saltaire Employee handbook, who maintain permanent residency in Saltaire or one of the surrounding communities, shall be required to obtain a Village of Saltaire vehicle permit but shall not be required to remit the fee associated with that permit. Further, all such employees shall be reimbursed the requisite vehicle permit fees charged by the Town of Islip and Fire Island National Seashore, upon submission of proof of payment of such fees.

## FERRY TRANSPORTATION

### Employees

The Board of Trustees hereby further determines that it is in the best interest of the Village of Saltaire to provide for ferry transportation to and from the Village by the provision of discount ferry tickets (when not otherwise provided) to the following classifications of employees: Village Office staff, Post Office staff, Medical Office staff, Public Safety staff, Maintenance staff, Lifeguard staff, Recreation Administration (including the Recreation Director, Camp Director, Art Director, Nature Director, and Group Leaders, but not including youth counselors) in order to facilitate access to the Village for their employment. Discount ferry tickets for such qualified employees will be distributed by the respective department heads.

#### Resident Employees

The Board of Trustees hereby further determines that it is in the best interest of the Village of Saltaire to maintain a core of necessary employees who maintain permanent and/or seasonal residences in Saltaire. The Board may, at its discretion, allocate some number of the employee ferry passes that are made available through contractual obligation with Fire Island Ferries, Inc., to those seasonal or permanent resident employees and their families as an inducement to maintain both required and voluntary residency and to meet the Village's needs and obligations.

#### WATER TAXI TRANSPORTATION

The Board of Trustees hereby further determines that water taxi transportation for employment is not warranted under routine circumstances, however, that Water Taxi transportation in the case of a work emergency may be provided for or reimbursed by the Village of Saltaire, provided such transportation shall have the approval of the Village Administrator or department head.

#### PARKING

##### Robert Moses Field 5

Upon determination of the Village Administrator that it is beneficial to the operation of the Village or results in a cost savings, parking privileges may be provided in Robert Moses Field 5 for the following classes of employees: Lifeguard Staff, Recreation Administration (including the Recreation Director, Camp Director, Art Director, Nature Director, and Group Leader, but not including youth counselors, who may choose to walk or bike into and out of the Village from that location rather than use ferry or vehicle transportation.

The Village of Saltaire shall meet this obligation only through the reimbursement to the qualified employee of the requisite fee for the purchase of an annual parking pass, upon submission of proof of payment of such fee.

##### Bay Shore Parking Lots

The Board of Trustees hereby further determines that it is in the best interest of the Village of Saltaire to provide parking privileges at the Village-owned parking lot at its Bay Shore ferry terminal to certain key seasonal or year-round employees, the allocation of which shall be made on an annual basis from the employee parking spaces that are made available by the contractual obligation of Fire Island Terminal, Inc. The Village Administrator in consultation with the Board of Trustees shall make such annual determination based upon a number of factors, including but not limited to operational efficiency and maintaining key employees in required or voluntary residency. It further determines that there may also be need for staff parking in Bay Shore beyond the limits of the Village-owned parking lot, and therefore the Village Administrator and/or Treasurer is authorized to procure sufficient parking spaces in the municipal lots or in other private locations in the Bay Shore area to meet the Village of Saltaire.
