AUTHORIZATION FOR PUBLIC HEARING ON LOCAL LAW TO WAIVE OUT OF NEW YORK STATE MAXIMUM TAX CAP

Mayor Zaccaro stated that the Board will shortly undertake the budget review and adoption process for the 2019/20 fiscal year, and it was undetermined at this point if the budget will require a tax increase and if so to what extent. The Board has the option to waive the State mandated tax cap limit, which is likely to be approximately 1.5%. The waiver can only be accomplished by adoption of a local law each year. The adoption of such a local law would not require that the Board adopt a tax increase above the State minimum increase, but rather would provide the flexibility to do so if necessary to balance the budget. After discussion, Trustee O'Brien made a motion to consider the amendment of Chapter 48 of the Village Code at a public hearing scheduled for the same date as the next scheduled Board of Trustees meeting. The motion was seconded by Trustee Richard and the motion was carried according to the following:

He further reported that Blue Bay Contracting was the sole and therefore lowest bidder for the project.

After further discussion, and all having a chance to be heard, Trustee O'Brien then made the following motion:

WHEREAS the Village of Saltaire solicited bids according to its procurement policy for public works and to be in compliance with the procurement policies of the Village of Saltaire for the reposting and renovation 109A Neptune Walk pursuant to the plans and specifications of Butler Engineering, and

WHEREAS sealed bids were publicly opened at 11:00 a.m. EST on January 14, 2019, and Blue Bay Contracting Inc. has been qualified by the Village Engineer and the Village Administrator as meeting all of the requirements of the bidding documents, and is therefore the certified low bidder as specified in the bid documents and met all the requirements stipulated in the bid;

BE IT RESOLVED that the Board of Trustees of the Village of Saltaire hereby authorizes the Village Administrator to declare Blue Bay Contracting Inc. as the certified low bidder for the reposting and renovation 109A Neptune Walk pursuant to the plans and specifications of Butler Engineering, and further

UTILITY EASEMENT AS PART OF LIGHTHOUSE PROMENADE WATER MAIN PROJECT

Deputy Mayor Richard reported that the Village's Engineers had developed as part of the Lighthouse Prom water main project a plan that removed all domestic service connections from the new Lighthouse trunk line and to install new branch lines for the homes north on Lighthouse Prom between East and Pilot Walks, and asked Village Administrator Posillico to more fully describe the plan. He stated that he had worked with the Village Engineers to develop the best water distribution plan that would protect the new Lighthouse water main, provide more reliable access to domestic water service connections for homes on the Cove-side of Lighthouse Prom, and provide better fire protection where feasible. The plan was reviewed and approved by the Board, was part of the bid documents, and the contract awarded on that plan. The new branch lines have been installed pursuant to the engineering plans along all of the public right-of-ways in the Clam Pond Cove area. He also stated that there are two locations, specifically in the Richards Walk and Pennant Walk locations, where there are no public right of ways. He stated that in those areas without public Rights-of-Way, the Village has approached the private property owners in those locations to request permission for the Village to install the branch lines on their properties in order to complete that master plan. Specifically, the Village People LLC, owners of the Sailor's Cove property, has agreed in principle to do that pursuant to an easement agreement without compensation for use of the property. The Village Attorney detailed the terms of that agreement that he drafted and negotiated with the Village People, which he stated was standard for these matters. Deputy Mayor Richard opened the floor for discussion, and a question was raised from the audience whether proper notice was given to the Board about the possible involvement of elected officials as private citizens in this agreement with the Village.

After discussion, and all having a chance to be heard, Trustee O'Brien moved adoption of the following resolution:

RESOLUTION ADOPTING LEAD AGENCY STATUS, TYPING A PROJECT AS AN UNLISTED ACTION AND ADOPTION OF A NEGATIVE DECLARATION FOR PURPOSES OF SEQRA WITH REGARD TO THE POTENTIAL EASEMENT AGREEMENT WITH A PRIVATE PROPERTY OWNER.

WHEREAS the Village of Saltaire is desirous of installing branch lines pursuant to its plans as part of the replacement of the water main that runs adjacent to and underneath Lighthouse Promenade as a 12-inch water main, which requires that it enters into an easement agreement with the Village People LLC to implement that plan near the Richards Walk area, and

WHEREAS the Board of Trustees has reviewed the plan and the agreement and completed the short form EAF and accompanying materials for the required SEQRA review with respect to the contracts and the contract work; it is therefore

RESOLVED that the Board of Trustees adopts Lead Agency status for purposes of SEQRA with respect to the easement agreement with the Village People, and further be it

RESOLVED that the Board of Trustees hereby determines that the potential easement with the Village People LLC is an Unlisted Action for purposes of SEQRA.

The motion was seconded by Trustee Oppenheimer, and the motion was carried according to the following:

Motion: Trustee O'Brien

Seconded: Trustee Oppenheimer

In Favor: Trustee Wolf, Trustee O'Brien, Trustee Richard, Trustee Oppenheimer

Recused: Mayor Zaccaro

Against: None

After further discussion, Trustee Wolf made the following motion.

WHEREAS, the Board of Trustees has determined that the potential easement with the Village People LLC is an Unlisted Action for purposes of SEQRA,

BE IT RESOLVED that the Board of Trustees of the Village of Saltaire hereby determines that the potential easement agreement with the Village People LLC:

Will not create a material conflict with an adopted land-use plan or zoning regulations; and

Will not result in a change in the use or intensity of the use of land; and

Will not impair the character or quality of the existing community; and

Will not have an impact on the environmental characteristics that caused the establishment of a Critical Environmental Area; and

Will not result in an adverse change in the existing level of traffic or affect existing infrastructure for mass transit, biking, or walkways; and

Will not cause an increase in the use of energy or fail to incorporate reasonably available energy conservation or renewable-energy alternatives; and

Will not impact existing public or private water supplies; and

Will not impact existing public or private wastewater treatment facilities; and

Will not result in an adverse change to natural resources such as wetlands, water bodies, groundwater, air quality, flora and fauna; and

Will not result in an increase in the potential for erosion, flooding or drainage problems; and

Will not create a hazard to environmental resources or human health; and that it is therefore

RESOLVED that a Negative Declaration is hereby adopted for purposes of SEQRA.

EXTENSION OF TIME FOR SUB-DIVISION APPLICATION

Deputy Mayor Richard reported that the legal representative of the Village People LLC has requested an additional ninety-day period to submit all required documentation and approvals as conditioned by the Board of Trustees's approval of their application. Village Attorney Prokop stated that the delay in delivery was in large part due to matters out of the applicant's control regarding other agency regulatory approvals, and that the granting of one or more time extensions is common practice due to the time necessary to complete all filings. After discussion, and all having chance to be heard, Trustee Oppenheimer made a motion to grant the ninety-day extension as requested by the Village People LLC, and to consider the application to be current for the remainder of the extension period. The motion was seconded by Trustee Wolf, and the motion was carried according to the following vote:

After discussion, and all having a chance to be heard, Trustee Wolf made a motion to authorize Village Administrator Posillico to
