

3RD ANNUAL

SCA SEA & SAND FESTIVAL

JULY 13-14TH

Celebrate the natural environment of our beautiful island with the whole family!

Saturday, July 13th

9-10:30 am – Beach Clean Up – meet at the Gazebo

Pick up grabbers and bags and see who can bring in the biggest haul! Prizes for heaviest load.

1:30 pm - Butterfly Island Book Reading – Saltaire Library

Local author and illustrator Tracy Rudd will read from her newly released book co-authored with fellow Fire Islander Ellen Federico. Get inspired by this tale of butterfly conservation and the power of teamwork! For ages 5-9.

4 pm – Feeling Crabby? Horseshoe Crabs with Citizens Campaign for the Environment

– meet at the Gazebo

Listen to a horseshoe crab story and learn about the importance of this key species. There will be horseshoe models for show and tell, horseshoe crab coloring sheets and stickers for children!

Sunday, July 14th

9-10:30 am – Sea & Sand Arts & Crafts – Art Shed

-Create collages and sculptures with oyster shells and found objects from the beach. Bring your own shells and beach finds to incorporate into your artwork, or use ours!

-Make beautiful fabric sun-art creations with natural objects.

11 am-12 pm – Meet the Animals – Gazebo

The Wildlife Center of Long Island will introduce reptiles, mammals and birds. Sponsored by the Village of Saltaire.

1:30 pm – Oyster Babies with Save the Great South Bay – indoor location TBD followed by bay front

Kids will learn about the incredible powers of oyster filtration and then head to the bay to meet our babies in the new oyster crates on the Saltaire finger dock.
